Subject: Missing Electronic Signature Agreement (ESA)

Good morning Travis,

We see that on August 3, 2021, you submitted Class VI application materials to EPA via the GSDT for CTV Elk Hills A1-A2 (Project ID R09-CA-0003). We are glad to see that the modules are working for you. According to our records, we have not received a signed and notarized ESA. We require the original hard copy, signed and notarized ESA on file in order to validate authorization of electronic GSDT submissions. Can you confirm whether you have sent the ESA to EPA? If so, are you able to provide a tracking number?

Please let us know if you have any questions or concerns.
